April 21, 2021**

The LCAP PAC (Parent Advisory Council) met on April 21st via Zoom.

The meeting began at 6:00 pm and twenty parents participated..

Dr. Patel addressed the parents with the following information:

- Parents reviewed the suggested actions coming from our District English Language Advisory Committee (DELAC) as well as district input that could go into the LCAP
- At the May PAC meeting, the suggested actions that parents indicated are strong will move forward and dollar amounts will be placed on those items for review
- A draft of the LCAP will go to the Board for public hearing, additional revisions and board approval
- A draft of the new strategic plan was briefly reviewed and summarized by district administrators
- The strategic plan works in connection with the LCAP
- Parents were placed into breakout groups to discuss the suggested actions and how they connect with the goals of the strategic plan and the 8 state state priorities and provided recommendations and input as needed

Due to the amount of content on the proposed actions document, the parents agreed to meet again on Wednesday, May 12 via Zoom to continue this process.

The meeting ended at 7:35 pm.
