

JOB DESCRIPTION

San Leandro Unified School District

Database Support Technician

Purpose Statement

Under the direction of the superintendent or designee, plan, coordinate and implement California Longitudinal Pupil Achievement Data System (CALPADS) and other state and federal reporting systems. Perform a variety of duties to facilitate accurate reporting, and to ensure adherence to reporting timelines for state and federal mandated electronic data collections for District.

This job reports to the Director of Assessment and Accountability.

Essential Functions

- Plan, coordinate and implement California Longitudinal Pupil Achievement Data System (CALPADS) and other state and federal reporting systems. Perform a variety of duties to facilitate accurate reporting, and to ensure adherence to reporting timelines for state and federal mandated electronic data collections for District
- Manages, plans and coordinates District compliance with mandated electronic state, federal and other reporting systems, including the California Longitudinal Pupil Achievement Data System (CALPADS) and other data collections as assigned
- Represents the District as the primary contact/coordinator for Mandated electronic reporting systems and other data collections/issues as assigned, including attend trainings, webinars and communications with other school districts and stakeholders (CALPADS and CDE)
- Works with internal and external stakeholders to design, develop and submit reports and data files for the purpose of meeting reporting timelines
- Submits, analyzes and troubleshoots various reporting requirements as required and reconciles reporting issues between internal and external stakeholders
- Oversees CALPADS certification by coordinating and reviewing of data and data corrections, acting as a liaison between internal and external stakeholders to assure compliance with state, federal and other requirements
- Manages data requests and reports related to ensuring accurate reporting of all assigned data collections including district wide attendance accounting and student count
- Advises upper management and other stakeholders of operational processes necessary for accurate reporting of assigned data collections
- Gathers, documents and manages existing, changing and emerging data requirements for all assigned data collections in order to remain compliant
- Monitors relevant District information systems for changing and emerging data requirements, and coordinates all enhancements of these information systems to ensure quality control of data items for all assigned data collections
- Aligns District information systems' data collections with those of reporting agencies, including the California Department of Education, to ensure compliance with relevant data collection standards, processes and requirements
- Reviews and evaluates District procedures, schedules, and system controls to ensure mandated reporting accuracy and efficiency

- Maintains knowledge of relevant mandated reporting requirements; reviews and revises District policies and procedures to ensure District compliance with state, federal and other requirements
- Provides training, plans, organizes and promotes teamwork between district staff to ensure mandated reporting deadlines are met and data collections are accurate
- Provides technical assistance to various District staff regarding mandated reporting requirements (CALPADS)
- Assists in completing requirements for various mandated data collection deliverables as assigned
- Communicates regularly with District stakeholders regarding all assigned mandated reporting timelines and requirements
- Provides secondary support for the District's Student Information System (SIS) as needed
- Supports other Technology Services department projects as assigned.
- Performs other duties as assigned

Other Functions

- Performs other related duties as assigned for the purpose of ensuring the efficient and effective functioning of the work unit.
