The number of days in a fiscal year for any one such leave or the total number of days in one school year for more than one such leave shall not be less than sixty (60) days. Only absences that are supported by a doctor's certificate and are the result of work-connected injury or illness can be paid under the occupational leave policy.

During the period an employee is receiving his/her regular salary from the District, he/she is required to assign to the District all temporary disability payments received from the District's Worker Compensation Administrator. Charges to the unit member's industrial illness or accident leave balance shall be reduced only by one (1) day for each day of authorized absence regardless of temporary disability payments paid by the District.

Personal illness leave, earned vacation leave, and compensatory time, if any, shall be reduced only by that amount necessary to provide a full day's wage or salary when added to temporary disability benefits. When all available leaves of absence, paid or unpaid, have been exhausted and if the employee is not medically able to assume the duties of his position, he/she shall, if not placed in another position, be placed on a re-employment list for a period of thirty-nine (39) months. He/she may be placed on unpaid leave of absence at which time he/she shall be granted paid health insurance benefits in the same manner as though he/she were an active regular employee of the District for this thirty-nine (39) month period.

When available, during the thirty-nine (39) month period, he/she shall be employed in a vacant position in the class of his/her previous assignment over all other available candidates except for a re-employment list established because of lack of work or lack of funds, in which case he/she shall be listed in accordance with appropriate seniority regulations.

An employee while receiving occupational leave benefits must remain in the State of California unless the Board of Education or designee authorizes travel outside the State.

8.4 Bereavement Leave

All leave provided in this Section is to be taken in minimum full day increments within thirteen months of death.

He/she shall have an absolute right to be restored to his/her former office or position and status formerly held by him/her upon the termination of such military duty in a manner consistent with SLUSD Board Policy 4361.5.

A unit member with more than one year's service in the District shall be entitled to receive his/her salary or compensation as such public employee for the first thirty (30) calendar days of any such absence, but not in excess of thirty (30) days in any one fiscal year.

8.6 Jury Duty

When a unit member is required to be absent to serve on jury duty, the unit member shall receive his/her regular salary. All jury duty fees (excluding reimbursement for meals, mileage, or parking) shall be endorsed and returned to the District.

8.7 Personal Necessity Leave

A unit member of the District may use his/her accumulated sick leave in cases of personal necessity. Use of sick leave under this article is limited to ten (10) days in any school year.

Unit members may use up to four (4) of the above ten days of personal necessity leave without disclosing the purpose of the leave. However, such leave requires advanced notification, must comply with the general purpose of personal necessity leave, and no more than five (5) percent of the unit or ten (10) percent from any one site may use such leave on the same day.

A personal necessity is defined as an activity which is serious in nature, cannot be reasonably disregarded, can only be performed during the normal school day, and cannot be performed before or after school hours.

Acceptable reasons for the use of personal necessity leave include:

1. Death of a member of the unit member's immediate family when the number of days of absence exceeds the limits set by bereavement leave provisions;

2. Accident involving unit members person or property or the person or property of a member of the employee's immediate family;

Leave for personal necessity may be allowed for other reasons at the discretion of the Superintendent or designee. However, no such leave shall be granted for purposes of personal convenience, for the extension of a holiday or vacation, or for matters, which can be taken care of outside of working hours.

A unit member shall request such a leave in writing at least three (3) days in advance, when possible. Upon return, a unit member may be required to submit additional proof to substantiate the personal necessity.

Advance permission shall not be required of any employee in cases involving the death of a member of the employee's immediate family, an accident involving the employee's person or property or the person or property of a member of his/her immediate family, or the serious illness of a member of his/her immediate family. However, the employee shall notify the Superintendent or designee of the need for the leave as soon as practicable. After any absence due to personal necessity, the employee shall verify the absence by submitting a completed and signed district absence form to his/her immediate supervisor.

8.8 Catastrophic Illness or Injury Leave

The purpose of the catastrophic leave bank is to provide paid leave to bargaining unit members who have experienced a catastrophic illness or injury, or have had a qualified family member experience a catastrophic illness or injury that requires the member to be absent from work. The catastrophic leave bank shall only be available to participating members of the bank.

Definitions: The following definitions shall apply to this section of the contract:

- 8.8.1 "Catastrophic illness or injury" means an illness or injury which, on the basis of medical opinion, is expected to incapacitate the recipient or a family member for a period of thirty (30) or more consecutive calendar days, requiring the employee to take time off work to care for themselves or to care for that family member.
- 8.8.2 For the purposes of the catastrophic leave bank, "family member" is limited to the children, spouse/registered domestic partner, and parents of the bargaining unit member. "Children" includes but is not limited to, step-children, foster children, and other dependents. "Parents" shall include mother-in-law and father-in-law.

8.8.3 "Eligible leave credits" means vacation leave and sick leave accrued to the donating employee.

An employee's industrial injury leave does not qualify as an injury or illness under this definition, provided the employee is eligible for coverage under Workers Compensation.

All new employees will automatically become members of the bank unless within 60 days of employment they notify the district in writing that they do not wish to join. If the employee does not opt out, the 1 day (in hourly equivalents) of donated leave credit shall be deducted the next pay period.

A maximum of 30 days may be granted to a unit member when accrued leave is exhausted. Unit members may apply for an additional thirty (30) days. All catastrophic leave grants must be preceded by written request describing the catastrophic illness or injury and how the bargaining unit member qualifies for the leave as defined in this section. The request shall be accompanied by written medical verification, satisfactory to the District, that the recipient has an illness or injury, which is expected to incapacitate him or her from working for a period of thirty (30) or more consecutive calendar days. Unit members may apply for an additional 30 days. This request can only be made after exhaustion of "differential days." Initially the Assistant Superintendent of Human Resources and the CSEA President shall evaluate and act upon the request. If they are in agreement their decision shall be final.

In the event they are not in agreement after consideration of the request, the association and the district shall appoint a neutral third party to facilitate an agreement. If such agreement is not forthcoming the neutral third party shall make the final decision regarding the request. It is intended that this be done on an expedited basis.

A recipient may use donated eligible leave credits for catastrophic illness or injury for a maximum period of twelve (12) consecutive months for any one catastrophic illness or injury.

A recipient shall use any leave credits that he or she continues to accrue on a monthly basis, prior to using donated sick leave pursuant to this section.

If fewer than 60 days of leave are in the catastrophic leave bank, or it is determined that the leave balance in the bank is insufficient to meet the expected claims, the district and CSEA may mutually agree to seek an additional contribution of days. Should this occur, everyone who wishes to remain eligible must participate in each subsequent contribution. Conversely, unit members who had previously opted out of participating may donate a day of accrued leave or vacation to join the catastrophic leave bank. CSEA may annually request the names of members participating and the total number of days remaining in the bank.

Should the district and CSEA mutually agree to dissolve the catastrophic leave bank, current participants shall receive a pro-rata share of the banked days.

8.9 Family and Medical Leave

Employees shall be entitled up to twelve (12) work-weeks of leave within a 12 month period for family and medical reasons under the federal Family Medical Leave Act of 1993 and the

 - d. The employee's own health condition that keeps the employee from performing his/her job function.
3. Family medical leave will run concurrently with other paid and unpaid leave if the reasons for the leave meet the requirements of family medical leave.
4. An employee may be required to provide medical certification whenever a serious health condition of his/her family member is the reason for the leave. Failure to obtain medical certification when necessary may delay the granting of the leave request until such certification is provided. For the employee's own serious health condition, the medical verification rules of sick leave, extended illness leave, or other applicable leave will be utilized.
5. When advance notice is possible, an employee must provide thirty (30) days advance written notice of the need for leave. If the need for leave is unforeseen, written notice must be given as soon as possible. Failure to provide written notice may delay the granting of leave.

An employee taking family medical leave will continue to participate in the District provided health plan under the same terms and conditions, which applied prior to the first day of the employee's leave. An employee is required to make premium payments to the same extent made by the employee prior to the leave to maintain his or her health benefits during the leave period. If the employee fails to return from the leave for any reason other than the recurrence or continuance of a serious health condition, the employee will be liable to the District for premiums paid for maintaining the employee's health coverage. An employee may at his or her expense participate in all other employee benefits plans offered by the employer during leave.

If such a leave is approved it may be extended for a maximum of one (1) year in total duration.

If an extension of this Child Rearing Leave is sought, the application should be made at least six (6) weeks prior to the expiration of the original leave.

An employee who has once passed a written and/or performance test for a specific job classification will not be required to be re-tested for a transfer within the same classification.

9.2.2 District Initiated Transfers

Bargaining unit members may be transferred by the Superintendent of Schools when it is determined to be in the best interest of the District.

In cases of District initiated transfers solely due to lack of work needed at a particular site and/or greater need at another site, the District will first seek volunteers. If no volunteers are available, the transfer will be accomplished on the basis of reverse seniority.

If the District initiates involuntary transfer for any other reason, the District will use the process below:

If feasible in instances of longer leaves, the District at its discretion may divide the leave into segments and allow multiple qualified applicants to be temporarily promoted for a specific segment of the leave time. When the unit member on leave returns, the temporarily promoted unit member shall be returned to his/her original assignment/position at the appropriate pay rate. - 12.6 Classified unit members shall be evaluated by the appropriate supervisor.
- 12.7 Evaluations shall be made in a conference between the unit member and his/her appropriate supervisor at which time they will discuss ways and means of improving greater efficiency and productivity. Together they will analyze the unit member's strong points and areas in which improvement may be made.
- 12.8 A copy of the evaluation will be given to the employee at the conference. The employee will indicate his/her knowledge of the evaluation by signing the evaluation form.
- 12.9 The evaluation will be forwarded to the office of the Assistant Superintendent of Human Resources on the appropriate form.
- 12.10 Any employee who is dissatisfied with the performance evaluation he/she has received from the assigned administrator may request a review of the rating by the Assistant Superintendent of Human Resources or designee, after it has been discussed with the original evaluators
- 12.11 After the review, he/she may prepare a written response within 20 days which shall be attached to the evaluation and placed in the employee's personnel file.

ARTICLE 13: PERSONNEL FILES

- 13.1 The personnel file of each bargaining unit employee shall be maintained under the direction of the District's Central Administration Office. Disciplinary action based upon derogatory material requires proper placement of that material in the personnel file. In establishing this requirement it is not intended to extend the obligation of the District beyond what is provided for by statute or case law.
- 13.2 Bargaining unit members shall be provided with copies of any derogatory material to be placed in their personnel files ten (10) working days before such placement. The unit member may prepare a concurrent written response and have it attached to the derogatory material. The unit member shall be afforded reasonable release time to deliver the response and have it placed in the file.
- 13.3 The review of the above referenced derogatory material in its original form, if requested, shall take place during normal business hours, and the unit member shall be released from duty for this purpose without salary deduction.
- 13.4 Unit members shall otherwise have the right to inspect their personnel files at a time when the person is not actually required to render services to the District. Copies of material contained in the personnel files shall be provided to the employee upon request. The District shall prepare such copies within a reasonable period of time after they are requested. An appropriate copying fee may be charged by the District. Neither the right to inspection or the agreement to provide copies shall include ratings, reports, or records which were obtained prior to employment (as provided in Ed. Code 44031 (b)).
- 13.5 All personnel files shall be kept confidential by the District and accessed only as necessary for the proper administration of the District, including supervision of the unit member. Access shall also be reasonably afforded the unit member's union representative when currently authorized in writing by the unit member and consistent with legal requirements.

ARTICLE 14: CONCERTED ACTIVITIES

- 14.1 It is agreed and understood that there will be no strike, work stoppage, slow-down, picketing or refusal or failure to fully and faithfully perform job functions and responsibilities, or other interference with the operations of the District by the Bargaining Unit or by its officers, agents, or members during the term of this Agreement, including compliance with the request of other labor organizations to engage in such activity except as allowed by law.
- 14.2 The Bargaining Unit recognizes the duty and obligation of its representatives to comply with the provisions of this Agreement and to make every effort toward inducing all employees to do so. In the event of a strike, work stoppage, slow-down, or other interference with the operations of the District by employees who are represented by the Bargaining Unit, the Bargaining Unit agrees in good faith to take all necessary steps to cause those employees to cease such action.
- 14.3 It is agreed and understood that any unit member violating this Article may be subject to discipline.

ARTICLE 15: SUPPORT OF AGREEMENT

The District and the Bargaining unit agree that it is to their-mutual benefit to encourage the resolution of differences through the meet and negotiation process. Therefore, it is agreed that the Bargaining Unit will support this Agreement for its term and will not appear before any public bodies to seek change or improvement in any matter subject to the meet and negotiation process except by mutual agreement of the District and the Bargaining Unit.

ARTICLE 16: EFFECT OF AGREEMENT

This bilateral agreement as signed by the parties represents the complete understanding between them. District practices and policies are limited only by the express provisions of this Agreement and by State law. Any said practices or policies that are found to be in conflict with this Agreement shall be null and void.

ARTICLE 17: SAVINGS

If any provisions of this Agreement are held to be contrary to law by a court of competent jurisdiction, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

ARTICLE 18: DISTRICT RIGHTS

- 18.1 It is understood and agreed that the District retains all of its powers and authority to direct, manage and control to the full extent of the law. Included in but not limited to those duties and powers are the exclusive right to: determine its organization; direct the work of its unit members; determine the times and hours of operation; determine the kinds and levels of services to be provided, and the methods and means of providing them; establish its educational policies, goals and objectives; insure the rights and educational opportunities of students; determine staffing patterns; determine the number and kinds of personnel required; maintain the efficiency of District operations; determine the curriculum; build, move or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of raising revenue; contract out work; and take action on any matter in the event of an emergency. In addition, the District retains the right to hire, classify, assign, transfer, evaluate, promote, terminate and discipline employees.
- 18.2 The exercise of the foregoing powers, rights, authority duties and responsibilities by the District, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and express terms are in conformance with law.
- 18.3 The District retains its right to reasonably amend, modify, or rescind policies and practices referred to in this Agreement in case of emergency, such as earthquake, fire, or flood.

ARTICLE 19: STAFF LAYOFFS

19.1 Reasons for Layoffs

The Governing Board may lay off unit members for lack of work or lack of funds. Layoff is separation from a position due to lack of work, lack of funds or as a result of displacement (bumping), reduction of hours, work year or classification with lower wages.

19.2 Notice of Layoff

All layoffs shall be implemented in the manner prescribed by law. Notice shall be by personal hand delivery or sent by certified mail and signed for by the employee sixty (60) days before the layoff becomes effective. A copy of each notice to bargaining unit members shall be sent to the Union.

19.3 Negotiation

In the event the District determines that it is necessary to lay off unit members due to lack of work or funds, it shall notify the Union in writing (president and agent). The parties will negotiate the impact of any positions that have been eliminated. In instances of reductions in hours, work year or classification, the parties will negotiate whether to reduce the positions as well as any impact should the reductions take place.

In order to determine what options individual employees may have, the District and CSEA designees will identify each individual's options based on his/her seniority and which positions are available that keeps him/her closest to whole. Closest to whole is defined as to which positions the employee has rights in terms of hours per day. Closest to whole may result in an increase in hours and/or days for individual employees.

19.4 Order of Layoff

19.4.1 Every layoff shall be in reverse order of seniority within classification; the employee, who has been employed the shortest time in the class, plus higher classes, shall be laid off first.

19.4.2 The employee in the classification to be laid off with the least seniority in that classification shall be laid off first; if two or more employees have the same seniority, seniority status shall be assigned by lot. Once the tied seniority order is established it shall be recorded on the classification seniority list and in the unit members' personnel files. CSEA may have a witness present for the drawing of lots.

19.5 Reemployment Rights

19.5.1 This article will take effect after the provision of Transfer have been exhausted with current unit members.

19.5.2 Employees who have been laid off shall be placed on a reemployment list for the classification from which they were laid off. Employees who were laid off from their classification remain on the reemployment list for 39 calendar months from date of layoff. Employees who accept in lieu of layoff, reduction in hours, work year or classification with a lower salary shall be retained on the reemployment list for the classification from which they were removed for 63 calendar months from date of layoff. Impacted employees shall be recalled to service in their previous classification in reverse order of layoff.

19.5.3 The District shall contact persons on the reemployment list to offer employment in positions in their classification for which they have rights based on their seniority. The employee has five (5) days to respond to the offer of employment. Employees accepting a position shall have two (2) weeks to report to the new position.

Persons on the reemployment lists are responsible for keeping the Human Resources Department informed of their correct telephone numbers, addresses or other mode of contact.

19.6 Bumping Rights

An employee laid off from his/her present classification may bump into a lateral position in the same job classification for which he/she has seniority or the next lowest classification in which the employee has greater seniority. The employee may continue to bump into lower classifications in which he/she has seniority to avoid layoff.

19.6.1 An employee may not bump into a different job classification in which he/she has seniority unless he/she has no bumping options within the current job classification.

19.6.2 If an employee bumps into a different job classification, it shall be the job classification with the same or next highest pay range in which the employee has seniority.

19.6.3 An employee may bump into a different job classification in which he/she has seniority if a vacant position is available.

19.6.4 Bumping will be based solely on seniority.

19.7 Eligibility to Compete in Promotional Exam

Former unit members on the reemployment list have the right to apply and compete for any vacant positions to which laid off workers do not have rights. It is the responsibility of the employees on the reemployment list to monitor the vacancy postings and to apply within the set timelines for any positions for which they qualify. Employees are considered qualified when they meet the minimum qualifications in the classification job description. Current unit members not impacted by layoff retain their rights to compete for the vacant positions as well. In the selection process, if the district does not select a current employee, it must give

preference to a qualified laid off employee from the reemployment list who properly applied to the vacant positions prior to considering any outside applicants.

19.8 Improper Layoff

Any employee who is improperly laid off shall be reemployed immediately upon discovery of the error and shall be reimbursed for all loss of salary and benefits.

19.9 Reassignments

Seniority by hire date in classification shall be utilized to determine which unit members in impacted classifications at specific work sites are to be reassigned when the District has not declared a layoff.

19.9.1 The District shall provide as much advance notice as is reasonably possible to employees who are to be impacted by this section. The employee shall be given an opportunity to express any preferences for assignment to vacant positions. The Assistant Superintendent/HR or designee shall assign the displaced employee to a vacant position considering the assignment, the expressed preferences of the employee and the preferences of the administrators.

19.10 Opportunity to Substitute

Employee on the reemployment list may request to be placed on the substitute list for work in their classification and in other classifications for which they qualify. When possible, the substitute clerk will attempt to contact substitutes on the reemployment list before contacting other persons.

ARTICLE 20: RECLASSIFICATION

All reclassification requests shall be reviewed by a panel composed of one (1) CSEA appointee, one (1) District appointee and a third appointee agreed upon by the other two members. The cost of the third appointee shall be shared by CSEA and the District. The panel's decisions shall be advisory to the Board of Education. The panel shall meet once a year prior to May 30 and implementation of any reclassification will take place July 1 the following fiscal year. Prior to the appointment of the first panel, the parties shall meet and mutually agree on guidelines for the panel as well as procedures for filing reclassification requests. Information about the reclassification process, applications and timelines can be found on the district's website.

ARTICLE 21: TERM

CSEA and the San Leandro Unified School District agree to a 3-year term of agreement effective July 1, 2021 through June 30, 2024, or until another agreement has been reached by the parties. For the 2022-2023 and 2023-2024 school years, either party may reopen Article 5: Salaries and Fringe benefits plus two additional articles.

Appendix D – Basic Medical Assistance Stipend

Basic Medical Assistance Stipend

November 10, 2022

Currently some para educators (paras) in the San Leandro Unified School District (District) provide Basic Medical Assistance (BMA) to students in addition to their daily work. For the purposes of this side letter, BMA is defined as gastronomy feeding tubes and buttons, urinal bags, colostomy bags, ileostomy bags, tracheotomy suctioning and care, nasal and oral suctioning, and other medical assistance to be agreed upon by the Parties. CSEA and the District (the Parties) want to recognize the specialized training and responsibility that goes along with providing BMA. Accordingly, the Parties have agreed to the following:

1. Providing BMA will be voluntary. Paras who volunteer and are trained shall be compensated as stated below. Paras who do not volunteer or have not been trained shall not provide students with BMA.
2. The District shall not directly, or indirectly, intimidate, threaten or coerce the paras to volunteer. Paras who do not volunteer may not be disciplined, laid off, reduced in hours, or otherwise penalized for not volunteering.
3. The District may request volunteers when the need for BMA arises. The District will first solicit volunteers from the site where BMA is needed. If no paras volunteer from the site, the District will then send notice to all sites requesting volunteers. These requests will be sent to the paras in writing either through district mail or email. The request shall include the definition of BMA, a description of all BMA trainings the paras shall receive, a description of the voluntary nature of the program, and the volunteer rescission timelines.
4. Paras who volunteer shall submit their letter of interest in writing. The letter of interest shall be kept in the paras' personnel files. MEMORANDUM OF UNDERSTANDING

Appendix H– Behavior Technician Stipend

**MEMORANDUM OF UNDERSTANDING
between the
SAN LEANDRO UNIFIED SCHOOL DISTRICT
and the
CALIFORNIA SCHOOL EMPLOYEES' ASSOCIATION
Chapter 94**

February 2, 2018

Behavior Technician Stipend

The purpose of this stipend is to provide additional compensation for mild/moderate or moderate/severe para educators who provide Applied Behavior Analysis (ABA) support to students with special needs.

Responsibilities

Under the direction of a certificated staff member, the para educator assigned to provide ABA assistance will assist with the following:

- Implementing individualized programs for students based on ABA principles that increase communication, self-help, social/play skills and academics.
- Utilize positive reinforcement and antecedent modification to increase appropriate behaviors over time.
- Manage inappropriate behaviors that occur across school settings through the implementation of Behavior Intervention Plans (BIPs) and consultation with the case manager or behavior specialist.
- Facilitate student interactions with peers, general education teachers, and specialists.
- Prepare and maintain materials for behavior-based strategies such as token boards
- Implement behavior contracts
- Lead small group activities with assigned and other students as needed, such as alternative PE, lunch groups, etc.
- Record information on student progress by taking direct data as needed or as directed by the behavior specialist or case manager.
- Prepare/maintain academic and behavior data tracking sheets.
- Assist classroom teachers with modifications of curriculum based on student specific abilities and IEP/BIP recommendations.

Qualifications

- Registered Behavior Technician Certificate issued by the BACB (or equivalent) or an AA or BA degree in ABA.
- One year of experience working with special needs students.

Selection

The District will first solicit volunteers from the site where ABA services are needed. If no qualified para educators volunteer or there are no qualified para educators at the site, the District will then send notice to all sites requesting volunteers. These requests will be sent to the paras in writing either through district mail or email. Qualified para educators shall submit their letter of interest in writing to the Personnel Services Department.

Para educators who do not volunteer may not be disciplined, laid off, reduced in hours, or otherwise penalized for not volunteering. However, based on programmatic need, it is possible that the transfer of para educators from one site to another could occur if there are not qualified ABA trained para volunteers at the site where this service is needed.

The selection of qualified para educators shall be done annually and shall not continue from year to year.

Compensation

Para educators who meet the qualifications for this stipend and are assigned to provide ABA support to students, shall receive an annual stipend of \$2,500 which shall be divided into ten (10) equal payments from August through June. If the need for this service arises after the school year begins, the para educator will receive a pro rata share of the stipend. For any month in which ABA services are provided the para educator shall receive the full monthly amount of the stipend regardless of the number of days worked in that month. Para educators who work during summer school and who are assigned to provide ABA support, shall receive a stipend of \$250 for summer work.

General Provisions

The Parties agree that any alleged violation of this Agreement shall be subject to the grievance procedure set forth in the collective bargaining agreement between the parties.
