School Description

Principal's Message

McKinley Elementary School is a community of learners who share a committed focus on ensuring that every child who comes to our school receives an equitable education within a nurturing and safe environment. The strength of our school lies with the staff who are knowledgeable, thoughtful, conscientious, and who share the belief that all students can learn and embrace the skills that will make them lifelong learners. Our teaching faculty of highly qualified, fully credentialed teachers is dedicated to teaching rigorous core academic curriculum based on the Common Core State Standards and the Next Generation Science Standards that ensure access for all of our student subgroups. Educators at McKinley Elementary School collaborate and analyze data regularly to produce deeper learning opportunities for our students that include an analysis of academic performance and language development to determine English Learner program needs as well as other student subgroups needs. Our goal is to make continuous year to year growth for each individual student so that all are prepared for middle school, high school, college and career and beyond. Education requires collaboration. The McKinley staff, teachers, families, community members, and students will continue to communicate clearly and work effectively to enable our students to succeed academically and to achieve our school-wide site plan goals and objectives.

McKinley Elementary School is made up of a diverse student body. The school serves students in grades TK-5. Additional resources are allocated to serve students in need of math and reading intervention support services. Also support services are offered in Speech and Language, Special Education Resource Program, Adaptive Physical Education, Occupational Therapy, and Counseling. In addition, students receive instruction in Music, Art, and Physical Education.

The McKinley staff is committed to providing an educational program in which the school's resources and services are effectively coordinated to meet the needs of students. Our teachers strive to provide students with explicit direct instruction lessons and project-based learning (PBL) opportunities that are combined with blended learning opportunities in our 1:1 (1st-5th grades) and 2:1 (TK/Kindergarten) digital learning environments. It is always our goal to provide academic programs that are culturally responsive, rigorous, personalized and appropriately challenging for all students.

Instruction is focused on Common Core State Standards in English Language Arts and Mathematics, English Language Development Standards, and Next Generation Science Standards. Teachers at McKinley Elementary School differentiate their instruction by regularly assessing and grouping students within and/or outside of the classroom for instruction in a variety of core academic content areas. Through this process, teachers are able to work together to meet the needs of all students by sharing resources and best instructional practices.

School Mission Statement

At McKinley Elementary School, we have a unified focus: to nurture the unique strengths of each student so that she or he builds personal responsibility, reaches high levels of academic achievement and contributes positively to society. Supporting all students in meeting these aspirations takes all of us: students, parents, staff and community members. This requires our collective commitment to a common road-map, consistent follow-through, and a continuous improvement mindset.

By working in partnership with parents and community, McKinley Elementary School will nurture confident, responsible and capable learners.

District Vision Statement

The mission of the San Leandro Unified School District is to educate students to achieve academic excellence in order to become confident, collaborative, and engaged citizens in a community rich in heritage and diverse in culture, where we value our traditions and embrace innovation.

District Profile

San Leandro Unified School District is located in the City of San Leandro, which is situated 20 miles southeast of San Francisco. San Leandro is a friendly and diverse city with a colorful heritage and numerous cultural amenities including a 450-berth Marina, two golf courses, and a large community library center. San Leandro is well-known for its quiet, well-defined neighborhoods full of charming and unique older houses on tree-lined streets. San Leandro residents are proud of both their neighborhoods and their city, which can be seen in their active involvement in the city's numerous neighborhood and homeowner associations.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on August 20, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2019 are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Age & Condition of Facilities

McKinley Elementary School was originally constructed in 1917 and is currently comprised of 23 permanent classrooms, twelve portable classrooms, a library, staff work and break room, a multipurpose room, and one playground. Recent renovations include the installation of new exterior fencing and exterior paint and connection to the city's fiber loop for high-speed internet access. The library was renovated in the 2017-18 school year.

Cleaning Process

The principal works daily with the head custodian and custodial staff to ensure a clean and safe school environment.

Maintenance & Repair

District maintenance staff inspects and makes timely repairs necessary to maintain the facility. The district recently implemented a new work order system to ensure efficient and timely service for all repairs and service requests.

Measure J1 Bond Work:

The school recently received new heating, ventilation, and air conditioning (HVAC) units in all classrooms. Additionally, the school's electrical system will be upgraded to accommodate future needs. Aging portables will be replaced with newer classroom structures.

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	25	35	38	42	50	50
Math	18	21	26	29	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a priority at McKinley Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The McKinley School Site Safety plan was last updated on December 13, 2018, at which time the Safety Plan was reviewed, updated and discussed with our School Site Council and faculty. The key element of the School Site Safety Plan entails emergency evacuation procedures. Fire, earthquake, shelter in place and lockdown drills are conducted on a regular basis throughout the school year.

To ensure student safety, staff members supervise students from 7:45 to 3:10 pm. All gates are locked at 8:30 each morning and any visitors are required to sign in at the McKinley Office. All adults on campus are required to wear ID while on campus. Volunteers are required to complete and have an approved Volunteer Packet located in the McKinley Office, prior to providing volunteer services for our learning community.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

The McKinley staff love their school and continually work together to help our McKinley Eagles soar to success. This group of dedicated professionals believes in working together to continuously improve our ability to meet the varied academic and social-emotional needs of our students. The McKinley teachers have had focused professional development in the areas of the Common Core Standards, Next Generation Science Standards, Project Based Learning, Social Emotional Learning, Eureka Math, Social Justice Standards and Designated and Integrated ELD. This training has resulted in school-wide teaching and learning practices that have supported the transition to implementing the Common Core Standards that have allowed for deeper learning opportunities for students at each grade level. Grade level professional learning communities meet to plan instruction, analyze assessment results, and determine intervention and enrichment activities, and an instructional leadership team meets monthly to guide the school in a process of continual growth. There are weekly collaboration meetings where teachers meet in their collaborative groups and 13 after school staff meetings per year focused on school-wide instructional initiatives. Furthermore, teachers are provided with opportunities to observe each other and get additional hourly pay for planning, and learning. Coaching and individualized support are provided for teachers through District Coaches, Site-Based interventionists, and the New Teacher Induction. The principal engages in regular classroom visits and learning conversations around instruction.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
