School Description

Principal's Message

Roosevelt is a community of learners who share a commitment to ensuring that every child who comes into our school receives a fair and equitable education within a nurturing and safe environment. Our staff and parent groups continually work to make Roosevelt a safe, respectful and responsible place to for all children to learn and grow.

We teach Common Core Standards which require our students to learn concepts deeply and be able to explain their thinking. Our classroom instruction is rich and engaging with a strong focus on Global Competency Skills: Collaboration, Critical Thinking, Creativity, and Communication. By ensuring that our students are proficient in the 4 C's, we move closer to closing the achievement gap and helping all students reach their full potential. We continue to engage in courageous conversations about race and its impact on students. Closing the achievement gap will take time, energy, and a commitment by all as we continually refine our instructional practice and realign resources to support success.

Our classrooms are equipped with Promethean Boards, Chrome Books at a 1:1 ratio (grades 1st - 5th) and 2:1 ratio (TK/K). Our blended learning model will help ensure that our children are college and career ready when they leave SLUSD. At Roosevelt, every child has a face and a name. At Roosevelt, every child has the potential to achieve, to learn, and to excel.

District Mission Statement

The mission of the San Leandro Unified School District is to educate students to achieve academic excellence in order to become confident, collaborative, and engaged citizens in a community rich in heritage and diverse in culture, where we value our traditions and embrace innovation.

School Mission Statement

Roosevelt's mission is to provide a safe environment where high expectations, standards-based differentiated curriculum, and life-long learning are the norm for all students, as well as adults. We are working towards improving all students' scores on high-stakes assessments, as well as narrowing and eventually closing the achievement gap through culturally responsive teaching, a rigorous academic program, and equitable practices. We believe this can be accomplished through a practice of open and honest communication, high expectations for every child, courageous conversations around race, partnerships with our families, and a commitment by all that values each child's voice. We invite our families and community members to partner with us and join us on this exciting journey.

District Profile

San Leandro Unified School District is located in the City of San Leandro, which is situated 20 miles southeast of San Francisco. San Leandro is a friendly and diverse city with a colorful heritage and numerous cultural amenities including a 450-berth Marina, two golf courses, and a large community library center. San Leandro is well-known for its quiet, well-defined neighborhoods full of charming and unique older houses on tree-lined streets. San Leandro residents are proud of both their neighborhoods and their city, which can be seen in their active involvement in the city's numerous neighborhood and homeowner associations.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <u>https://www.cde.ca.gov/ta/ac/sa/</u>.
- For more information about the LCFF or LCAP, see the CDE LCFF web
 page at <u>https://www.cde.ca.gov/fg/aa/lc/</u>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on August 20, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2019 are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Age & Condition of Facilities

Roosevelt Elementary School was originally constructed in 1928 and is currently comprised of 23 permanent classrooms, a library, a staff lounge, multipurpose/cafeteria, two playgrounds, a preschool SDC room, a third through fifth-grade SDC room, a music room, an art room, a speech room, a RSP room, a counseling room, and an after-school enrichment room. Recent renovations include the installation of new exterior fencing, exterior paint, and connection to the city's fiber loop for high-speed internet access. The library was renovated in the 2017-18 school year.

Cleaning Process

The principal works daily with the head custodian and custodial staff to ensure a clean and safe school environment.

Maintenance & Repair

District maintenance staff inspects and makes timely repairs necessary to maintain the facility. The district recently implemented a new work order system to ensure efficient and timely service for all repairs and service requests.

Measure J1 Bond Work:

The school is scheduled to receive new heating, ventilation, and air conditioning (HVAC) units in all classrooms. Additionally, the school's electrical system will be upgraded to accommodate future needs. Aging portables will be replaced with newer classroom structures. The City of San Leandro is currently planning on remodeling the Farrelly Pool which is located on the Roosevelt campus.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	56	59	38	42	50	50
Math	50	52	26	29	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents and the community are very supportive of the educational program at Roosevelt Elementary School. Parents are invited to participate in a variety of groups such as the Parent-Teacher Association (PTA), Dad's Club, ELAC (English Language Advisory Committee), DELAC (District English Language Advisory Committee), SSC (School Site Council), LGBTQ Alliance, AAPAG (African American Parent Advisory Group), Voces Unidas, Special Families Group, and After School Enrichment (ACE) programming. Parents are invited to attend monthly Coffee and Conversation meetings with the principal, School Site Beautification days, and Parent Education Workshops covering topics including Common Core Instruction, Student Safety, Anti-Bullying, and Adolescent Development. Parents are also involved in volunteering in classrooms, for field trips and fundraisers, and within the school garden.

Contact Information

Parents who wish to participate in Roosevelt Elementary School's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (510) 618-4350.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern at Roosevelt Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is updated biannually at the beginning and end of the school year by the School Site Council and staff. The plan is reviewed annually at an October staff meeting. The key element of the School Site Safety Plan encompasses student safety and evacuation procedures, if necessary. Fire, earthquake and lockdown drills are conducted on a monthly basis throughout the school year, and intruder drills are conducted twice a year.

To ensure student safety, staff members supervise students at all times before and after school, and during recess and lunch. Any visitors to the campus are required to check-in at the school's office and wear the proper identification badge at all times. The designated areas for student drop off and pick up are at the front of the school and in the back of the school with a crossing guard. School Gates are locked on the Dutton side of campus in the morning after students arrive and are opened again at dismissal time. The front gates close from 8:30 - 1:30 and visitors are required to enter through the front door

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

Staff development is focused on becoming a Professional Learning Community and building capacity around the use of technology in the classroom as well as helping teacher implement our new Math and English Language Arts Curriculum, as well as, Project Based Learning. Our teachers meet every Wednesday in PLCs to discuss curriculum and student work. The Instructional Leadership Team (ILT) meets once per month to assess the professional development needs of the school and plan future staff meeting agenda items. We continue to include equity as an ongoing staff development focus area.

Staff development is supported for classroom implementation through BTSA (Beginning Teachers Support and Assessment) Support Providers and District Instructional Coaches. Teachers participate in District Professional Development days 2 times per year where they can choose training courses to meet their individual development needs. Teachers also participate in professional development after-school at the district and site level.

Teachers are also released for full day collaboration with their grade level twice a year. These planning days allow teachers to continually improve their craft and calibrate their teaching techniques with their colleagues.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <u>https://dq.cde.ca.gov/dataquest/</u> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
