About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on September 15, 2020, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2020 are illustrated in the chart.

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents and the community are very supportive of the education program at Bancroft Middle School. Parents may participate in the School Site Council, the PTA, United Parents of Bancroft Group, School Smarts Academy, and the English Learner Advisory Committee (ELAC.)

There are also ample volunteer opportunities for parents to be involved with the athletics and music programs as well as with the school play and in the classroom. Parents also are able to volunteer their time with the supervision of students.

Parents who wish to participate in Bancroft Middle School's leadership teams, school committees, school activities, or become a volunteer may contact the Parent Facilitator at the main office at (510) 618-4380 ext. 3612.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The safety of students and staff is a primary concern at Bancroft Middle School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety Plan is updated every year in the fall. The key elements of the School Site Safety Plan include communication, preparation, and safety. Fire, earthquake, stay in place, and intruder drills are conducted on a monthly basis throughout the school year.

The School Site Safety Plan was last thoroughly reviewed in the 2019/2020 school year. The 2020/2021 Bancroft administration is in the process of revising the School Safety Plan for recommendation to the School Site Council for approval. To ensure student safety, staff members supervise students at all times before and after school, and during all breaks. Any visitors to the campus are required to report to the school's office and wear the proper identification badge at all times.

Providing as much in-person live instruction that can be safely delivered is a priority of the district and community. SLUSD will follow guidelines from the California Department of Education, California Department of Public Health, Centers for Disease Control (CDC), The Alameda County Public Health Department, Alameda County Office of Education, and the Governor's office to plan for in-person scenarios when safe to do so this school year. District leadership and union leadership is continuously engaging in re-opening meetings to prepare for in-person instruction. Currently, SLUSD has plans to re-open in three phases:

1. 100% distance learning
2. Cohorts of students attending in-person in small groups and /or hybrid model, and
3. Full in-person instruction.

Regardless of the model, we recognize that students will need additional support to recover from any learning loss and tiered intervention in both academic and social-emotional support.

This school year, students will participate in daily live instruction (synchronous) with teachers and support staff. They will also have flexible time to work online or offline on instructional activities and assignments constructed by their teachers (asynchronous).

As we prepare to re-open our schools in phases, SLUSD is committed to following Alameda County's established safety guidelines when bringing students back to the classroom. Appropriate safety measures will include physical distancing, self-screening/active screening, specific classroom safety procedures, hand washing/sanitizing, and face-covering procedures. Additionally, SLUSD will provide training in safety protocols and procedures to all staff and students at school sites and district offices. Also, classrooms have been rearranged to meet the requirements of physical distancing, and schools will be implementing outdoor activities for students that meet safety guidelines.

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Teachers may also receive assistance through the California Teacher Induction Program (A program designed to support teachers to diversify their skills in order to obtain their clear credential) & Site Instructional Coaches.

The district supports staff development through three professional growth days each year.
