### School Description

#### Principal's Message

Garfield is a community of learners who are committed to ensuring that every child who comes into our school receives an equitable education within a nurturing and safe environment. The strength of our school lies with the staff who are knowledgeable, thoughtful and caring, and who share the belief that all students can learn and embrace the skills that will make them lifelong learners. Our teaching faculty of highly qualified, fully credentialed teachers is dedicated to teaching students a rigorous core academic curriculum based on the Common Core Standards and Next Generation Science Standards. They collaborate and analyze data regularly to produce deeper learning opportunities for our students including an analysis of academic performance and language development to determine English Learners (EL) program needs as well as other student group needs.

Garfield School is made up of a diverse student body. The school serves students in grades Transitional Kindergarten to 5th grade. Additional resources are allocated to serve students in need of Reading and Math Intervention, English Language Development instruction, Speech, and Language support, Special Education Resource services, Adaptive Physical Education, Occupational Therapy, and Counseling. Students also participate in Music, Art, Physical Education classes taught by Specialists.

The Garfield staff is committed to providing an educational program in which the school's resources and services are effectively coordinated to meet the needs of students. Our teachers strive to provide students with explicit direct instruction lessons and project-based learning (PBL) opportunities that are combined with blended learning opportunities in our digital learning environments. It is always our goal to provide academic programs that are culturally responsive, rigorous, personalized and appropriately challenging for all students.

Instruction is focused on the Common Core Standards and all students are making progress towards mastery. Garfield teachers differentiate their instruction by regularly assessing and grouping students within and/or outside of the classroom for instruction in a variety of core academic content areas. Through this process, teachers can work together to meet the needs of all students by sharing resources and best instructional practices. These practices align activities to reach school goals to improve the academic performance of multilingual learners and students who require additional intervention to support their learning needs. Recognizing the need to focus on the whole child, our teachers also provide learning experiences that foster social/emotional growth as well as develop students' communication and collaboration skills.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on September 15, 2020, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2020 are illustrated in the chart.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Parents and the community are very supportive of the education program at Garfield Elementary School. Parents may participate in the Gatorville Parent Teacher Organization (PTO), English Language Advisory Committee (ELAC), School Site Council (SSC), and volunteer within the classroom and for various school events and field trips. The PTO and ELAC groups sponsor a variety of fundraising and community-building activities throughout the school year. Their fundraisers also sponsor field trips for every student. Each year, parents are invited to attend our six-session School Smarts Academy. The curriculum for the academy is designed by the National PTA. It helps parents understand how to navigate the school system and advocate for their children.

Garfield Elementary School has several partnerships with local community organizations and businesses, such as Davis Street Community Center, City of San Leandro Safe Routes to School, the San Leandro Rotary, and the San Leandro Education, Sports, and Music Foundations.

#### Contact Information

Parents who wish to participate in Garfield Elementary School's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (510) 618-4300.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The safety of students and staff is a primary concern at Garfield Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is updated annually by the School Site Council and staff. The key element of the School Site Safety Plan encompasses student safety and evacuation procedures, if necessary. Fire, earthquake, and lockdown drills are conducted on a regular basis throughout the school year, and intruder drills are conducted twice a year. Emergency parent information is outlined in the Parent/Student Handbook and provided each year to families.

To ensure student safety, staff members supervise students at all times before and after school, and during recess and lunch. Any visitors to the campus are required to check-in at the school's office and wear the proper identification badge at all times. The designated areas for student drop off and pick up are at the front of the school and are supervised by staff. The Safe School Plan was last reviewed in January 2021 by the School Site Council and staff.

Providing as much in-person live instruction that can be safely delivered is a priority of the district and community. SLUSD will follow guidelines from the California Department of Education, California Department of Public Health, Centers for Disease Control (CDC), The Alameda County Public Health Department, Alameda County Office of Education, and the Governor's office to plan for in-person scenarios when safe to do so this school year. District leadership and union leadership is continuously engaging in re-opening meetings to prepare for in-person instruction. Currently, SLUSD has plans to re-open in three phases:

1. 100% distance learning
2. Cohorts of students attending in-person in small groups and /or hybrid model, and
3. Full in-person instruction.

Regardless of the model, we recognize that students will need additional support to recover from any learning loss and tiered intervention in both academic and social-emotional support.

This school year, students will participate in daily live instruction (synchronous) with teachers and support staff. They will also have flexible time to work online or offline on instructional activities and assignments constructed by their teachers (asynchronous).

As we prepare to re-open our schools in phases, SLUSD is committed to following Alameda County's established safety guidelines when bringing students back to the classroom. Appropriate safety measures will include physical distancing, self-screening/active screening, specific classroom safety procedures, hand washing/sanitizing, and face-covering procedures. Additionally, SLUSD will provide training in safety protocols and procedures to all staff and students at school sites and district offices. Also, classrooms have been rearranged to meet the requirements of physical distancing, and schools will be implementing outdoor activities for students that meet safety guidelines.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

| Rate        | School 2017-18 | School 2018-19 | District 2017-18 | District 2018-19 | State 2017-18 | State 2018-19 |
|-------------|----------------|----------------|------------------|------------------|---------------|---------------|
| Suspensions | 1.5            | 0.5            | 5.6              | 5.2              | 3.5           | 3.5           |

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

| Rate        | School 2019-20 | District 2019-20 | State 2019-20 |
|-------------|----------------|------------------|---------------|
| Suspensions | 0.3            | 3.4              |               |
| Expulsions  | 0.0            | 0.1              |               |

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.
