School Description

Principal's Message
Roosevelt is a community of learners who share a commitment to ensuring that every child who comes into our school receives a fair and equitable education within a nurturing and safe environment. Our staff and parent groups continually work to make Roosevelt a safe, respectful and responsible place to for all children to learn and grow.

We teach Common Core Standards which require our students to learn concepts deeply and be able to explain their thinking. Our classroom instruction is rich and engaging with a strong focus on Global Competency Skills: Collaboration, Critical Thinking, Creativity, and Communication. By ensuring that our students are proficient in the 4 C's, we move closer to closing the achievement gap and helping all students reach their full potential. We continue to engage in courageous conversations about race and its impact on students. Closing the achievement gap will take time, energy, and a commitment by all as we continually refine our instructional practice and realign resources to support success.

Our classrooms are equipped with Promethean Boards, Chrome Books at a 1:1 ratio (grades 1st - 5th) and 2:1 ratio (TK/K). Our blended learning model will help ensure that our children are college and career ready when they leave SLUSD. At Roosevelt, every child has a face and a name. At Roosevelt, every child has the potential to achieve, to learn, and to excel.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on September 15, 2020, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2020 are illustrated in the chart.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)
Parents and the community are very supportive of the educational program at Roosevelt Elementary School. Parents are invited to participate in a variety of groups such as the Parent-Teacher Association (PTA), Dad's Club, ELAC (English Language Advisory Committee), DELAC (District English Language Advisory Committee), SSC (School Site Council), LGBTQ Alliance, AAPAG (African American Parent Advisory Group), Voces Unidas, and After School Enrichment (ACE) programming. Parents are invited to attend monthly Coffee and Conversation meetings with the principal, School Site Beautification day, and Parent Education Workshops covering topics including Student Safety, Anti-Bullying, and Adolescent Development. Parents are also involved in volunteering in classrooms, for field trips and fundraisers, and within the school garden.

Contact Information
Parents who wish to participate in Roosevelt Elementary School's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (510) 618-4350.

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- • Pupil suspension rates;
- • Pupil expulsion rates; and
- • Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)
The safety of students and staff is a primary concern at Roosevelt Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is updated biannually at the beginning and end of the school year by the School Site Council and staff. The plan is reviewed annually at an October staff meeting. The key element of the School Site Safety Plan encompasses student safety and evacuation procedures, if necessary. Fire drills are conducted on a monthly basis and an earthquake drill is practiced twice throughout the school year.

To ensure student safety, staff members supervise students at all times before and after school, and during recess and lunch. Any visitors to the campus are required to check-in at the school's office and wear the proper identification badges at all times. The designated areas for student drop off and pick up are at the front of the school and in the back of the school with a crossing guard. School gates are locked in the morning after students arrive and are opened again at dismissal time. The front gates close from 8:30 - 1:30 and visitors are required to enter through the front door.

Providing as much in-person live instruction that can be safely delivered is a priority of the district and community. SLUSD will follow guidelines from the California Department of Education, California Department of Public Health, Centers for Disease Control (CDC), The Alameda County Public Health Department, Alameda County Office of Education, and the Governor's office to plan for in-person scenarios when safe to do so this school year. District leadership and union leadership is continuously engaging in re-opening meetings to prepare for in-person instruction. Currently, SLUSD has plans to re-open in three phases:
1. 100% distance learning
2. Cohorts of students attending in-person in small groups and /or hybrid model, and
3. Full in-person instruction.

Regardless of the model, we recognize that students will need additional support to recover from any learning loss and tiered intervention in both academic and social-emotional support.

This school year, students will participate in daily live instruction (synchronous) with teachers and support staff. They will also have flexible time to work online or offline on instructional activities and assignments constructed by their teachers (asynchronous).

As we prepare to re-open our schools in phases, SLUSD is committed to following Alameda County's established safety guidelines when bringing students back to the classroom. Appropriate safety measures will include physical distancing, self-screening/active screening, specific classroom safety procedures, hand washing/sanitizing, and face-covering procedures. Additionally, SLUSD will provide training in safety protocols and procedures to all staff and students at school sites and district offices. Also, classrooms have been rearranged to meet the requirements of physical distancing, and schools will be implementing outdoor activities for students that meet safety guidelines.

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

Staff development is focused on Project Based Learning, training in the latest technology, curriculum, English Language Development and National Science Standards.

Our teachers meet every Wednesday in PLCs to discuss curriculum and student work. The Instructional Leadership Team (ILT) meets once per month to assess the professional development needs of the school and plan future staff meeting agenda items. We continue to include equity as an ongoing staff development focus area.

Staff development is supported for classroom implementation through District Instructional Coaches. Teachers participate in District Professional Development days 2 times per year where they can choose training courses to meet their individual development needs. Teachers also participate in professional development after-school at the district and site level.

Teachers are also released for full day collaboration with their grade level twice a year. These planning days allow teachers to continually improve their craft and calibrate their teaching techniques with their colleagues.
