2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Principal Smith's Message

James Madison Elementary School, recognized in 2019 as a California Distinguished School, exemplifies the vision and mission of the San Leandro Unified School District (SLUSD). We strive to educate students to achieve academic excellence in order for each person to become confident, collaborative, and engaged citizens. We celebrate a community rich in heritage and diverse in culture. James Madison has embraced innovative instructional practices designed to support success in the 21st century. Our slogan is "Madison Works Hard, Plays Fair, and Takes Care", for Students, for Staff, and for the Community!" We are very proud of the school and the collective effort of students, staff and the community. Collaboratively we maintain a school culture and climate that harnesses our community to create success for all students. Our success was recognized in 2014, 2015 and 2016 as a "Star Honor Roll School" by the Educational Results Partnership and the Campaign for Business and Educational Excellence (CBEE).

James Madison is proud to be an inclusive school community, we serve students in classes TK/K-5th Grade Mod/Sev SDC. Madison is one the first schools to offer a Sensory Room. What is a Sensory Room? "Sensory room" is an umbrella term for a broad variety of therapeutic spaces set apart for promoting self-organization and positive change. They contain specific sensory equipment for self-regulation activities designed to alleviate sensory processing difficulties.

Help create a safe space.
Provide opportunities for calming or alerting the nervous system.
Increase skill acquisition for social-emotional development.
Facilitate prevention and de-escalation strategies.
Improve communication.
Promote self-care/self-nurturance, resilience, and recovery.
Nurture students' increased independence and educational success.

Madison believes that every elementary student should have access, exposure, and opportunity to engage in Computer Science (CSI). We have an amazing MakerSpace with both hands on low tech and high tech tools for students to tinker with at the will. Nearly every future job and profession will involve coding and computer science.

2021-22 School Overview

James Madison School recognizes, celebrates and teaches to the cultural, linguistic and racial diversity of all learners. We nurture and develop parent leaders and family partners to work collaboratively with the school and district. We are thankful for the staff, families, and especially the children, who continue to learn with their hearts, minds, and bodies. Our school is also home to classes of amazingly-abled special education students. We are proud to support their needs in an inclusive and integrated environment.

School Vision

James Madison Elementary School is dedicated to inspiring all students with pure excitement for learning and a deep appreciation for the rich and diverse cultures in our community. We collaborate through a lens of equity across our school community to build trusting relationships, that will lead students to confidently pursue multiple colleges and career pathways.

School Motto

At Madison we work here, we play fair and we take care.

PBIS

Mustang's "RIDE" with Responsibility, Integrity, Determination, and Equity for all.

District Profile

San Leandro Unified School District is located in the City of San Leandro, which is situated 20 miles southeast of San Francisco. San Leandro is a friendly and diverse city with a colorful heritage and numerous cultural amenities. San Leandro is well-known for its quiet, well-defined neighborhoods full of charming and unique older houses on tree-lined streets. San Leandro residents are proud of their schools and have invested in the future success of students through the approval of facility bond and parcel taxes that stabilize and support the funding needed to maintain high-quality teaching and learning.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on September 14, 2021, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2021 are illustrated in the chart.

School Facility Conditions and Planned Improvements

Age & Condition of Facilities

James Madison Elementary was originally constructed in 1956 and is currently comprised of 18 permanent classrooms, four portable classrooms, a library, staff work and break room, a multiuse room, and a playground. James Madison Elementary was closed from 1982 to 1998. Recent renovations include the installation of new exterior fencing and exterior paint and connection to the city's fiber loop for high-speed internet access.

Cleaning Process

The principal works daily with the head custodian and custodial staff to ensure a clean and safe school environment.

Maintenance & Repair

District maintenance staff inspects and makes timely repairs necessary to maintain the facility. The district recently implemented a new work order system to ensure efficient and timely service for all repairs and service requests.

Measure J1 Bond Work:

The school is scheduled to receive new heating, ventilation, and air conditioning (HVAC) units in all classrooms. Additionally, the school's electrical system will be upgraded to accommodate future needs. The wing that previously housed the district office is being converted to classrooms spaces a STEM room and a library. Work is scheduled to begin in 2018-19. In 2021-2022 our school will have a shade structure built in front of the school MPR space. This will allow our school to expand outdoor seating in the cafeteria. New Tables have already been added this school year.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Our success is built on a foundation of strong family and community involvement. We have an active Parent Teacher Organization (PTO) that plans and funds school-wide events. This supports a climate that celebrates family, honors culture and respects a community of differences by harnessing the energy and resources to ensure student success. Creating a strong home to school partnership has created a trusting and nurturing learning environment that helps Madison work to support each student's potential. Our parent empowerment has helped bridge the language and cultural differences that often keeps parents from understanding standards, curriculum, instruction, and assessment. We support parents in their ability to advocate for their children now and throughout their careers in public education. In addition to our JM PTO, we develop parent leadership and empowerment in order to ensure alignment of support through the San Leandro Unified School District strategic plan. Our parents are active and involved in a wide variety of district committees and initiatives.

James Madison Elementary School actively develops partnerships with local businesses, community organizations, and the "SLED" San Leandro Education Foundation.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions	1.18	0.00	5.17	0.03	3.47	0.20
Expulsions	0.00	0.00	0.10	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The safety of students and staff is always the first concern at James Madison Elementary School. The district supports our school with policies and regulations for compliance with all laws, rules, and regulations pertaining to safety, hazardous materials, and state earthquake standards. The Comprehensive School Site Safety Plan is updated annually by the principal and approved by the School Site Council. The Safety Plan is evaluated, revised and approved by the School Site Council each spring. The School Site Safety Plan outlines all emergency procedures. Lockdown, Shelter in place, Fire and Earthquake drills are conducted on a regular basis throughout the school year. The school principal actively seeks to improve all aspects of school safety both physical and emotional. Our district policies support a safe and productive working environment for staff.

To ensure student safety, staff members supervise students at all times before and after school, and during recess and lunch. Any visitors to the campus are required to check-in at the school's office and wear the proper identification badge at all times. Our SLUSD leadership continues to focus on and support initiatives that create the safest school possible for all students.

All SLUSD schools have uniform emergency procedures for an intruder on campus, unsafe situations in the surrounding community, chemical spills, or environmental and natural disasters. All procedures were created in collaboration with local law enforcement and are based upon nationwide best practices. Procedures are kept confidential to the community to protect students and staff. In response to COVID-19, SLUSD will report all confirmed positive cases among personnel and students physically present at district schools and facilities during their infectious period for COVID-19. The infectious period begins two days before the onset of symptoms. If the case did not have symptoms, the infectious period is considered to be two days prior to the testing date. Note that personnel includes contractors, substitutes, and others working at SLUSD schools and facilities. For the most up-to-date emergency and safety information and the district COVID-19 Resources and information visit <https://www.slusd.us/families-community/>.

Professional Development

Professional development at James Madison is aligned with the SLUSD Strategic Plan and supports beginning and veteran teachers in all subjects and instructional practices. James Madison Elementary School staff is actively participating in the district initiatives and harnessing the district instructional coaches to help effectively transition to 21st century skills and Common Core Standards. Staff development for beginning teachers is enhanced through BTSA (Beginning Teachers Support and Assessment) Support Providers. We are most proud of our ongoing work with Project Based Learning Consultation and Positive Behavior Intervention and Support. District committees and action teams also allow for collaboration between teachers. Minimum days and release time assures ongoing personal and professional growth. Additional resources are earmarked for outside conferences and workshops to support teacher growth and innovation.

The district supports staff development through three Professional Growth Days each year. In addition our teachers are released to pursue ongoing growth and development to ensure they remain inspired and excited about teaching at James Madison Elementary School.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
