2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

Garfield is a community of learners who are committed to ensuring that every child who comes into our school receives an equitable education within a nurturing and safe environment. The strength of our school lies with the staff who are knowledgeable, thoughtful and caring, and who share the belief that all students can learn and embrace the skills that will make them lifelong learners. Our teaching faculty of highly qualified, fully credentialed teachers is dedicated to teaching students a rigorous core academic curriculum based on the Common Core Standards and Next Generation Science Standards. They collaborate and analyze data regularly to produce deeper learning opportunities for our students including an analysis of academic performance and language development to determine English Learners (EL) program needs as well as other student group needs.

Garfield School is made up of a diverse student body. The school serves students in grades Transitional Kindergarten to 5th grade. Additional resources are allocated to serve students in need of Reading and Math Intervention, English Language Development instruction, Speech, and Language support, Special Education Resource services, Adaptive Physical Education, Occupational Therapy, and Counseling. Students also participate in Music, Art, Physical Education classes taught by Specialists.

The Garfield staff is committed to providing an educational program in which the school's resources and services are effectively coordinated to meet the needs of students. Our teachers strive to provide students with direct instruction lessons and project-based learning (PBL) opportunities that are combined with blended learning opportunities in our digital learning environments. It is always our goal to provide academic programs that are culturally responsive, rigorous, personalized and appropriately challenging for all students.

Instruction is focused on the CA Common Core Standards and all students are making progress towards mastery. Garfield teachers differentiate their instruction by regularly assessing and grouping students within and/or outside of the classroom for instruction in a variety of core academic content areas. Through this process, teachers can work together to meet the needs of all students by sharing resources and best instructional practices. These practices align activities to reach school goals to improve the academic performance of multilingual learners and students who require additional intervention to support their learning needs. Recognizing the need to focus on the whole child, our teachers also provide learning experiences that foster social/emotional growth as well as develop students' communication and collaboration skills.

2022-23 School Overview

District Vision Statement

The mission of the San Leandro Unified School District is to educate students to achieve and demonstrate academic excellence and become confident, collaborative and competitive in a global society, by utilizing state-of-the-art technologies and innovative teaching strategies within a well-maintained, secure learning environment, in a region rich in heritage and diverse in culture, where we value our traditions while welcoming change.

School Mission Statement

Working together, all members of the Garfield School community will do whatever it takes to get everyone to the same place while fostering high academic achievement and social standards for ALL students. We will provide a safe, supportive and accessible school environment so that all students and adults are valued and respected for their unique qualities, strengths, and contributions.

District Profile

San Leandro Unified School District is located in the City of San Leandro, which is situated 20 miles southeast of San Francisco. San Leandro is a friendly and diverse city with a colorful heritage and numerous cultural amenities including a 450-berth Marina, two golf courses, and a large community library center. San Leandro is well-known for its quiet, well-defined neighborhoods full of charming and unique older houses on tree-lined streets. San Leandro residents are proud of both their neighborhoods and their city, which can be seen in their active involvement in the city's numerous neighborhood and homeowner associations.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school’s instructional program. San Leandro Unified School District held a public hearing on September 14, 2021, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2021 are illustrated in the chart.

School Facility Conditions and Planned Improvements

Age & Condition of Facilities

Garfield Elementary School was originally constructed in 1948 and is currently comprised of 21 permanent classrooms, a library, a staff lounge, a multi-purpose/cafeteria room, and two playgrounds. Recent renovations include the installation of new exterior fencing, exterior paint, and connection to the city's fiber loop for high-speed internet access. The library was renovated in the 2017-18 school year.

Cleaning Process

The principal works daily with the head custodian and custodial staff to ensure a clean and safe school environment.

Maintenance & Repair

District maintenance staff inspects and makes timely repairs necessary to maintain the facility. The district recently implemented a new work order system to ensure efficient and timely service for all repairs and service requests.

Measure J1 Bond Work:

The school is scheduled to receive new heating, ventilation, and air conditioning (HVAC) units in all classrooms. Additionally, the school's electrical system will be upgraded to accommodate future needs. Aging portables are being replaced with newer classroom structures.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	20	N/A	37	N/A	47
Mathematics (grades 3-8 and 11)	N/A	18	N/A	25	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Parents and the community are very supportive of the education program at Garfield Elementary School. Parents may participate in the Gatorville Parent Teacher Organization (PTO), English Language Advisory Committee (ELAC), School Site Council (SSC), and volunteer within the classroom and for various school events and field trips. The PTO and ELAC groups sponsor a variety of fundraising and community-building activities throughout the school year. Their fundraisers also sponsor field trips for every student. Each year, parents are invited to attend our six-session Parent Education Event. The curriculum for the academy is designed by the National PTA. It helps parents understand how to navigate the school system and advocate for their children.

Garfield Elementary School has several partnerships with local community organizations and businesses, such as Davis Street Community Center, the City of San Leandro, the San Leandro Rotary, and the San Leandro Education, Sports, and Music Foundations.

Contact Information

Parents who wish to participate in Garfield Elementary School's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (510) 618-4300.

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.26	3.85	2.45
Expulsions	0.00	0.05	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

2022-23 School Safety Plan

The safety of students and staff is a primary concern at Garfield Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is updated annually by the School Site Council and staff. The key element of the School Site Safety Plan encompasses student safety and evacuation procedures, if necessary. Fire, earthquake, and lockdown drills are conducted on a regular basis throughout the school year, and intruder drills are conducted twice a year. Emergency parent information is outlined in the Parent/Student Handbook and provided each year to families.

To ensure student safety, staff members supervise students at all times before and after school, and during recess and lunch. Any visitors to the campus are required to check-in at the school's office and wear the proper identification badge at all times. The designated areas for student drop off and pick up are at the front of the school and are supervised by staff. The Safe School Plan was last reviewed in January 2021 by the School Site Council and staff.

All SLUSD schools have uniform emergency procedures for an intruder on campus, unsafe situations in the surrounding community, chemical spills, or environmental and natural disasters. All procedures were created in collaboration with local law enforcement and are based upon nationwide best practices. Procedures are kept confidential to the community to protect students and staff. In response to COVID-19, SLUSD will report all confirmed positive cases among personnel and students physically present at district schools and facilities during their infectious period for COVID-19. The infectious period begins two days before the onset of symptoms. If the case did not have symptoms, the infectious period is considered to be two days prior to the testing date. Note that personnel includes contractors, substitutes, and others working at SLUSD schools and facilities. For the most up-to-date emergency and safety information and the district COVID-19 Resources and information visit <https://www.slusd.us/families-community/>.

Professional Development

Teachers may receive assistance through the Peer Assistance and Review (PAR) Program. The PAR program uses exemplary teachers to assist permanent and beginning teachers in the areas of subject matter knowledge and teaching strategies.

Staff development is supported for classroom implementation through Induction Support Providers and by Site and District Instructional Coaches. The district supports staff development through three Professional Growth Days each year.

The focus of professional development for 2020-21 will be on collaboration on all the platforms needed to successfully implement distance and/or hybrid learning due to the COVID 19 pandemic. The analysis of State and Local Assessment Plan data is also included.

The focus for the 2021-22 school year will be the implementation of the new Amplify Science, Social Studies curriculum along with Mindful Allyship.

This table displays the number of school days dedicated to staff development and continuous improvement.
