**Direct Cost – Group C (Non Profit/Public Agency)\*** Non-profits, community based organizations and public agencies will be charged the estimated direct costs associated with their event period. Users in this classification include:

- Non-profit (501c3) organizations that use the AEC for fundraising activities which are beneficial to the youth or public school activities of the district. Organizers, board members, activity supervisors, and other 501c3 officers may not draw salary from participation fees from said event.

**Commercial (Fair Market) – Group D** Commercial represents a rate for commercial activity, regardless of where profit is generated within the organization.

- Rentals where admission or participation fees are charged, or contributions are solicited and the receipts are not expected for the welfare of the pupils of the District for charitable purposes.
