

NOTICE TO CONTRACTORS

CONTRACTOR PRE-QUALIFICATION PROGRAM – CUPCCAA (PCC Section 22000; 22034)

Public Works Contractor Registration Program (DIR SB854)

Prevailing Wage Monitoring Program (DLSE PWC-100)

The San Leandro Unified School District has adopted the California Uniform Public Construction Cost Accounting Act (CUPCCAA) set forth at California Public Contract Code (PCC) Section 22000. The CUPCCAA allows the district to conduct Informal Bidding Procedures (PCC Section 22034) for public works construction projects valued at \$60,000 up to \$200,000 with prequalified contractors. The District will maintain a new list of prequalified contractors for all trades. All previous pre-qualifications shall now be disregarded.

Contractors who would like to participate in the informal Bidding program must provide information required on the Contractors Prequalification Application Form and Questionnaire attached. Please complete the entire form and return your documentation by email to michael.blampye@cumming-group.com. Please call 781-724-9419 if you have any questions.

In addition, according to Labor Code 1725.5 Subsection (f) which went into law on July 1, 2017, all contractors who wish to bid or perform work on public works projects are required to register with the Department of Industrial Relations. All agencies, such as the District, shall include in the Notice Inviting Bids and Contract documents provisions that specify that the project is subject to compliance monitoring and enforcement by DIR. The District is required to submit Form PWC-100 to DIR for public projects valued at \$15,000 and up for maintenance work and \$25,000 and up for new construction, alteration, installation and demolition or repair.

Certified Payrolls shall be submitted by the Contractor directly to the DIR. No public works contract shall be awarded to a Contractor and no subcontractor shall perform work unless the firm is properly registered with the DIR. Information regarding DIR Contractor Registration Program and compliance can be accessed online at dir.ca.gov.

Please submit all documentation to the email address listed above.
