

# LCAP Parent Advisory Committee Fall Reunion

Oct. 16, 2025

# **Introduce yourself with:**

- **Your name**
- **Your child's  
school**
- **Favorite subject  
in school**

# AGENDA

**Back to School Observations & Reflections**

**Projects related to LCAP Goals**

**Strategic Action Plan 2025–2028**

# Back to School Reflections

As the year gets underway...

What are you seeing, hearing, or feeling on campus that connects to our LCAP goals?

**Universally  
Designed  
Teaching and  
Learning for  
Lifelong College  
and Career  
Success**

**Positive School  
Climate and  
School  
Connectedness**

**Equity and  
Inclusion with  
Families and  
Employee  
Engagement**

# Back to School Reflections

What are you seeing, hearing, or feeling on campus that connects to our LCAP goals?

**Universally Designed  
Teaching and Learning for  
Lifelong College and  
Career Success**

**Positive School Climate and  
School Connectedness**

**Equity and Inclusion  
with Families and  
Employee Engagement**

**We have a new  
Strategic Action Plan!**

# Projects underway related to LCAP Goals

**Pathways to Inclusion (1.8)**

**Teacher evaluation system  
(goal 1 & 3)**

**Dual enrollment for college  
and career readiness (1.3)**

**School based behavioral  
health (2.3)**

**Discipline and school  
climate (2)**

**Report cards and  
assessments (1)**

# PREVIOUS PLAN HIGHLIGHTS

## 2013–2016

- 1:1 student-to-device ratio achieved
- Free PSAT/SAT for all students
- Full-time elementary libraries
- Major reductions in suspensions/referrals
- Barbara Lee Health & Wellness Center opened

## 2017–2020

- Expanded college/career pathways
- District-wide math curriculum adopted
- Expanded Dual Language Immersion
- Major facilities upgrades (Measure J1)
- Improved digital access at home and school

## 2021–2024

- New gym, continuation school campus, and more (Measure N)
- Expanded dual language and multilingual programs
- Civic engagement and Ethnic Studies curriculum
- Stronger family engagement

**What will the  
headlines/highlights  
be for this plan in 2026,  
2027, or 2028?**

# 2025–2028 STRATEGIC ACTION PLAN

*Centering Learning,  
Belonging, Partnerships, and  
Infrastructure*

**What will the highlights  
be from this plan?**

## 1: Deep Learning for Real-World Readiness

- Deliver Rigorous, Responsive, and Innovative Instruction
- Enhance Math Proficiency
- Expand College and Career Pathways

## 2: Prioritize Student Health and Belonging

- Sustain and Expand Universal School-Based Behavioral Health
- Promote Positive School Climate Through Healthy Relationships and Behavior
- Promote a Safe, Supportive, and Responsible School Culture

## 3: Strong, Connected Partnerships

- Supporting Families Through Every Step of the Journey
- Leveraging Voice, Leadership, and Longevity
- Responsive Communication That Honors Cultural and Linguistic Diversity

## 4: Improved Infrastructure for Safety and Environmental Equity

- District Bond Facility Projects
- Strategic and Responsive Maintenance and Operations

# GOAL #1: DEEP LEARNING FOR REAL-WORLD READINESS

## **Deliver Rigorous, Responsive, and Innovative Instruction**

- Use district curriculum and assessments to guide teaching.
- Use proven strategies that support all learners.
- Include culturally relevant teaching and technology.
- Strengthen reading and writing at every grade level.
- Adjust instruction for English learners, students with disabilities, and dual language students.
- Build skills in communication, thinking, and media literacy.

## **Enhance Math Proficiency**

- Teach math using real-world, problem-solving strategies.
- Support students in small groups based on need.
- Use data often to adjust instruction.

## **Expand College and Career Pathways**

- Help students and families understand course and college options.
  - Recruit students into dual enrollment and career programs.
  - Support students in retaking classes to stay on track for graduation.
- 

 **“Breaking News!**  
**SLUSD achieves**  
**\_\_\_\_\_ with Goal 1!”**

# GOAL #2: PRIORITIZE STUDENT HEALTH AND BELONGING

## **Sustain and Expand Universal School-Based Behavioral Health**

- Use data to match services to student needs.
- Grow partnerships to offer more student supports.
- Create a plan to keep wellness services in every school.

## **Promote Positive School Climate Through Healthy Relationships and Behavior**

- Teach all students how to build healthy relationships.
- Create diverse school teams to lead positive behavior systems.
- Support student peer leaders to build a caring school culture.

## **Promote a Safe, Supportive, and Responsible School Culture**

- Make sure students feel physically and emotionally safe.
- Use restorative practices for discipline and behavior.
- Teach healthy digital habits to students, staff, and families.

 **Headline Alert!**  
**SLUSD celebrates**  
**\_\_\_\_\_ in**  
**Goal 2 success!**

# GOAL #3: STRONG, CONNECTED PARTNERSHIPS

## Supporting Families Through Every Step of the Journey

- Give families clear, timely info during school transitions.
- Offer workshops and wellness resources to support student success.
- Share easy-to-understand updates on student progress.

## Leveraging Voice, Leadership, and Longevity

- Hire and keep a diverse staff that reflects our students.
- Help staff grow with training and career pathways.
- Support staff well-being and long-term success.

## Responsive Communication That Honors Cultural and Linguistic Diversity

- Provide translation and interpretation for families.
- Train staff to engage across languages and cultures.
- Create feedback loops to build trust and foster continuous improvement.
- Strengthen partnerships with community organizations.

 **District Update:  
SLUSD reaches**

-----  
**milestone aligned  
with Goal 3.**

# GOAL #4: IMPROVED INFRASTRUCTURE FOR SAFETY AND ENVIRONMENTAL EQUITY

## District Bond Facility Projects

- Expand solar power to support sustainability.
- Improve systems to save energy and cut costs.
- Plan workforce housing with energy efficiency in mind.
- Add classroom tech like sound systems and monitors.
- Build more TK and Kindergarten classrooms.

## Strategic and Responsive Maintenance and Operations

- Create systems to quickly respond to site needs.
- Train staff in updated tools, methods, and safety practices.

 **Good News from  
Our Schools: SLUSD  
makes strides  
toward  
-----  
under Goal 4.**

# Thank you! Gracias!

**Next meeting:** LCAP PAC with  
new members  
January 22, 2026  
SLUSD District Office  
2600 Teagarden Street 6:00–7:30
