

## **San Leandro Unified School District Board of Education**

### **Resolution No. 26-01**

#### **PROCLAIMING FEBRUARY 2026 AS BLACK HISTORY MONTH**

**WHEREAS**, the month of February is officially celebrated as Black History Month, which dates back to 1926, when Dr. Carter G. Woodson set aside a special period of time in February to recognize the heritage and achievements of Black Americans;

**WHEREAS**, over the past century, African American life, history, and culture have become major forces in the United States and the world. In 1915, few could have imagined that African Americans in music, art, and literature would come to be appreciated by the global community. Fewer still could have predicted the prominence achieved by African Americans, as well as other people of African descent, in shaping world politics, war, and diplomacy. A century later, few can deny the centrality of African Americans in the making of American history; and

**WHEREAS**, black scholars, artists, athletes, and leaders used their talents to change how the world viewed African Americans and gave the world a cornucopia of cultural gifts, including jazz, poetry, and an appreciation of African art. African American athletes dominated individual and team sports, transforming baseball, track and field, football, boxing, and basketball. In areas of social movements, African American activism transformed race relations, challenged American foreign policy, and became the American conscience of human rights; and

**WHEREAS**, in the face of injustices, United States citizens of all races distinguished themselves with their commitment to the noble ideas upon which the United States was founded and courageously fought for the rights and freedom of African Americans; and

**WHEREAS**, Dr. Martin Luther King, Jr. lived and died to make real these noble ideas; and Barack Hussein Obama was elected the 45<sup>th</sup> President of the United States, making him the first African American chief executive, breaking through racial barriers in politics in this country; and

**WHEREAS**, the Association for the Study of African American Life and History (ASALH) was founded in 1915 by Carter G. Woodson, who labored under the belief that historical truth would crush falsehoods and usher in a new era of equality, opportunity, and racial democracy, and for more than a century the Association has advanced the study, preservation, and celebration of Black history, including the enduring ways African

Americans have resisted historic and ongoing oppression in pursuit of justice and freedom; and

**WHEREAS**, the History-Social Science Framework for California Public Schools, Transitional Kindergarten through Grade Twelve states that the history curriculum of community, state, region, nation, and world must reflect the experiences of different racial, religious, and ethnic groups, which is integrated at every grade level;

**NOW, THEREFORE, BE IT RESOLVED**, on this 13<sup>th</sup> day of January, 2026, that the San Leandro Unified School District Board of Education proclaims the month of February as Black History Month, recognizes the contributions of African Americans in the Nation's history, and encourages the continued celebration of this month to provide an opportunity for all schools to learn more about the past and to better understand the African Americans' experiences that have shaped the Nation, and recognizes that ethnic and racial diversity of the United States enriches and strengthens the Nation.

**RESOLUTION NO. 26-01 PASSED AND ADOPTED** by the Governing Board of Education of the San Leandro Unified School District, this 13<sup>th</sup> day of January, 2026.
