

SAN LEANDRO UNIFIED SCHOOL DISTRICT

Resolution No. 26-37

MANUFACTURING WEEK OCTOBER 2-9, 2026

WHEREAS, the San Leandro Unified School District is committed to preparing students for college, career, and community success; and

WHEREAS, manufacturing plays a vital role in San Leandro's economic vitality, providing high-skill, high-wage career opportunities in advanced manufacturing, engineering, design, robotics, logistics, and related industries; and

WHEREAS, modern manufacturing integrates technology, innovation, creativity, and problem-solving skills that align with the District's Career Technical Education (CTE) pathways and workforce readiness initiatives; and

WHEREAS, partnerships between the San Leandro Unified School District, local manufacturers, community colleges, workforce development agencies, and industry leaders help create meaningful opportunities for students through internships, mentorships, career exploration, and hands-on learning experiences; and

WHEREAS, Manufacturing Week in October provides an opportunity to raise awareness among students, families, educators, and community members about the diverse and rewarding career pathways available in today's manufacturing sector;

NOW, THEREFORE, BE IT RESOLVED, that the San Leandro Unified School District hereby recognizes October 2-9, 2026, as **Manufacturing Week**; and

BE IT FURTHER RESOLVED, that the Board encourages schools to promote career exploration activities, highlight Career Technical Education pathways, and engage industry partners to inspire students to pursue careers in advanced manufacturing and related fields; and

BE IT FURTHER RESOLVED, that the San Leandro Unified School District reaffirms its commitment to strengthening workforce readiness, expanding equitable access to high-quality career pathways, and supporting partnerships that connect students to meaningful post-secondary opportunities.

Adopted this 15th day of September, 2026 by the Board of Education of the San Leandro Unified School District.
